IGLAND SBV 2380 SlideFlex Snow blower

Product description

Simple and strong snowblower. Full 2.3 metre working width. The snowblower is suitable for medium size tractors. Covers a need for an effect full snowblower for different tasks. SBV 2380 comes with mechanically removable SlideFlex system, that gives sideways flexible 3-point hitch. The snowblower can move up to 30 cm to the side. Skid shoes and wear-resistant steel is standard. The snowblower is delivered with a hydraulic chute rotation. The deflector is hydraulic operated. Very good throwing distance thanks to the fan, with special-shaped shovels, and with a diameter of 80 cm. Both fan and fan-housing are made in HARDOX steel.
